If a server license is installed or otherwise agreed to, install and use the Software Product on a single designated server being a single computer which provides shared services to multiple single computers linked to the server, subject to the number of concurrent users agreed to in writing by Bitdefender, in each case where such single computer or server is owned, leased or otherwise substantially controlled by You. If You desire to use this Software Product on more than a single computer (not being a server) or server, additional licenses must be obtained from Bitdefender for each computer or server upon which or where the Software Product is to be used.

You are permitted to make one copy of this Software Product into machine readable form for backup purposes only, however, You may not copy the printed materials that are part of this Software Product. You must mark the backup copy media of the Software Product as "backup." The backup copy of the Software Product is subject to the provisions of this Agreement, and all titles, trademarks, copyright notices and other legends shall be reproduced in the backup copy ("Testing License").

THE SOFTWARE. TERM OF LICENSE

Your rights with respect to the Software, shall commence on the date you accept the terms and conditions of this Software and shall terminate at the initial commercial release by Bitdefender of a generally available version of the Software after the date you receive the Software or any update thereto, at which time you will have the option to convert this Testing License to a Bitdefender's Standard End-User License under the terms of its Standard End-User License Agreement. Either party may terminate this Agreement at any time for any reason or no reason by providing the other party advance written notice thereof. Upon any expiration or termination of this Agreement, the rights and licenses granted to you under this Agreement shall immediately terminate, and you shall immediately cease using, and will return to Bitdefender (or, at Bitdefender's request, destroy), the Software, Documentation, and all other tangible items in your possession or control that are proprietary to or contain Confidential Information.

Also, if you do not continue to abide by the terms of this Agreement you acknowledge that you have no right to use the Software and you agree to uninstall or not use the Software forthwith upon your not continuing to abide by the terms of this Agreement. THIS PRODUCT IS LICENSED UNDER THE LICENSE FOR THE PERSONAL AND NON-COMMERCIAL USE OF A CONSUMER THAT WAS ENCODED BY A CONSUMER ENGAGED IN A PERSONAL AND NON-COMMERCIAL ACTIVITY. NO LICENSE IS GRANTED OR SHALL BE IMPLIED FOR ANY OTHER USE.

EXPIRATION

The product will cease to perform its functions immediately upon expiration of the license. This license is limited to the version of the Software delivered by Bitdefender and does not include Updates, unless a separate maintenance contract is purchased or, alternatively, you have purchased a service subscription that entitles you to Updates, upgrades or Services as described in the Documentation and purchase documentation. After the specified maintenance period or service subscription period has expired, you have no further right to receive any Updates without the purchase of a new maintenance contract or service subscription.

UPGRADES

If Bitdefender is labeled as an upgrade, you must have a valid subscription to use a product identified by BITDEFENDER as being eligible for the upgrade in order to use Bitdefender Product. A Bitdefender Product labeled as an upgrade replaces and/or supplements the product that formed the basis for your eligibility for the upgrade. You may use the resulting upgraded product only in accordance with the terms of this License Agreement. If Bitdefender Product is an upgrade of a component of a package of software programs that you licensed as a single Bitdefender Product may be used and transferred only as part of that single product package and may not be separated for use by more than the total number of licensed users. The terms and conditions of this license replace and supersede any previous agreements that may have existed between you and BITDEFENDER regarding the original product or the resulting upgraded product.

COPYRIGHT

All rights, titles and interest in and to Bitdefender and all copyright rights in and to Bitdefender (including but not limited to any code, images, photographs, logos, animations, video, audio, music, text, and "applets" incorporated into Bitdefender), the accompanying printed materials, and any copies of Bitdefender are owned by BITDEFENDER, with the understanding that rights, titles and interest in and to certain third party software identified in the accompanying Third Party License Terms are owned by their respective owners. Bitdefender is protected by copyright laws and international treaty provisions. Therefore, you must treat Bitdefender like any other copyrighted material. You may not copy the printed materials accompanying Bitdefender. You must produce and include all copyright notices in their original form for all copies created irrespective of the media or form in which Bitdefender exists. You may not sub-license, rent, sell, lease or share the Bitdefender license. You may not reverse engineer, recompile, disassemble, create derivative works, modify, translate, or make any attempt to reconstruct or to discover the source code for Bitdefender or underlying ideas, algorithms, file formats, programming or interoperability interfaces. You may not permit third parties to benefit from the use or functionality of Software, except as and only to the extent explicitly permitted by the licensing terms, identified in the accompanying Third Party License Terms, governing use of the third party software. You may not permit third parties to benefit from the use or functionality of the Software and Services via a timesharing, service bureau or other arrangement. You may not remove any proprietary notices or labels on the Software. All rights not expressly set forth hereunder are reserved by Bitdefender.

TECHNICAL SUPPORT

Certain technical support features may be offered by Bitdefender for the license term of the Software as stated on Bitdefender website, but and other technical support services shall offered based on the subscription acquired. If such features are offered and You choose to access such Technical Support it shall be governed by the following conditions: Any such Technical Support shall be provided in Bitdefender's sole discretion without any guarantee or warranty of any kind. It is solely Your responsibility to complete a backup of all Your existing data, software and programs before receiving any Technical Support. In the course of providing the Technical Support, Bitdefender may determine that the technical issue is beyond the scope of the Technical Support. Bitdefender reserves the right to refuse, suspend or terminate any of the Technical Support in its sole discretion.

IMPORTANT NOTICE TO USERS. THIS SOFTWARE IS NOT FAULT-TOLERANT AND IS NOT DESIGNED OR INTENDED FOR USE IN ANY HAZARDOUS ENVIRONMENT REQUIRING FAIL-SAFE PERFORMANCE OR OPERATION. THIS SOFTWARE IS NOT FOR USE IN THE OPERATION OF AIRCRAFT NAVIGATION, NUCLEAR FACILITIES, OR COMMUNICATION SYSTEMS, WEAPONS SYSTEMS, DIRECT OR INDIRECT LIFE-SUPPORT SYSTEMS, AIR TRAFFIC CONTROL, OR ANY APPLICATION OR INSTALLATION WHERE FAILURE COULD RESULT IN DEATH, SEVERE PHYSICAL INJURY OR PROPERTY DAMAGE.

UPDATES

By accepting this Agreement, You acknowledge and agree that your system may be used for receiving and serving Updates of the Software through local servers. The protocol will not be used for anything other than transmitting and receiving Bitdefender updates of signatures files.

CONSENT TO ELECTRONIC COMMUNICATIONS

Bitdefender may send you legal notices and other communications about the Software and subscription Services or our use of the information you provide us ("Communications"). Bitdefender will send Communications via in-product notices or via email to the primary user's registered email address, or will post Communications on its Sites. By accepting this Agreement, you consent to receive all Communications through these electronic means only and acknowledge and demonstrate that you can access Communications on Sites.

SERVICE ACKNOWLEDGEMENTS

Service components of Software and standalone Services operate by forwarding certain data ("Forwarded Data") to Bitdefender owned or controlled servers for scanning. These servers employ proprietary technology to identify and then screen malicious or potentially unwanted content based on user-proscribed parameters. As a condition of using any Service and by accepting this Agreement: (i) You represent and warrant that You are legally permitted and authorized to access, and to provide Bitdefender with access to, the Forwarded Data and agree to provide Bitdefender with evidence of such authorization upon request; (ii) You authorize Bitdefender to act as Your data processing agent and at Your discretion when performing the Services; (iii) You undertake to inform the source of the Forwarded Data, to the extent required by local law, of the scope and purpose of the Service, which may entail the transfer of Forwarded Data to servers located outside of the European Union or other jurisdiction where You are located; (iv) You agree that You are responsible for deciding if and how You use the Services; and (v) You represent that You will otherwise use the Services only in a legal manner. In the event of any breach of the representation and warranty in Section 12(i) Bitdefender may, with prior notice and without prejudice to its other rights,

suspend the performance of the Service until You can show to Bitdefender's satisfaction that any such breach has been cured.

DATA COLLECTION TECHNOLOGY

Bitdefender informs you that in certain programs or products it may use data collection technology to collect technical information (including suspect files), to improve the products, to provide related services, to adapt them and to prevent the unlicensed or illegal use of the product or the damages resulting from the malware products. The personal information given (name, email address, password), during initial setup, if collected, it will be used as an account name under which You may elect to receive additional services and/or under which You may use certain features of the Software. You may change and Bitdefender strongly recommends you, the password at any time after installation of the Product. You accept that Bitdefender may use such information as part of the services provided in relation to the product and to prevent and stop the malware programs running on your device. By accepting this Agreement, You acknowledge and agree that the security technology used can scan the traffic in an impersonal mode to detect the malware and to prevent the damages resulting from the malware products. You acknowledge and accept that Bitdefender may provide updates or additions to the program or product which automatically download to your device. By accepting this Agreement, You agree to upload the executable files for the purpose of being scanned by the Bitdefender servers. Similarly, for the purpose of contracting and using the program, you may have to give Bitdefender certain personal data. Bitdefender informs you that it will treat your personal data in accordance with current applicable legislation and as established in its Privacy Policy. The use of certain Software and/or Services may be subject to data protection laws or regulations in Your country. You are responsible for determining how and if you need to comply with those laws or regulations. Access to the website by the User and the acquisition of products and services and the use of tools or content via the website implies the processing of personal data. Complying with legislation governing the processing of personal data and information society services and electronic commerce is of the utmost importance to Bitdefender. Sometimes, to access products, services contents or tools, you will in some cases, need to provide certain personal details. Bitdefender guarantees that such data will be treated confidentially and in accordance with legislation governing the protection of personal data and information society services and electronic commerce. From time to time, the Software and Services may collect certain information from the computer on which it is installed, which may include:

- Information on potential security risks as well as URLs of websites visited that the Software and Services deems potentially fraudulent. The URLs could contain personally identifiable information that a potentially fraudulent website is attempting to obtain without Your permission. This information is collected by Bitdefender for the purpose of evaluating and improving the ability of Bitdefender's products to detect malicious behavior, potentially fraudulent websites and other Internet security risks. This information will not be correlated with any personally identifiable information.
- URLs of websites visited as well as search keywords and search results only if the browser toolbar feature is enabled. This information is collected by Bitdefender for the purpose of evaluating and advising You regarding potential threats and risks that may be associated with a particular Web site before You view it. This information will not be correlated with any personally identifiable information.
- Executable files that are identified as potential malware, including information on the actions taken by such files at the time of installation. These files are submitted to Bitdefender using the Software and Services' automatic submission function. The collected files could contain personally identifiable information that has been obtained by the malware without Your permission. Files of this type are being collected by Bitdefender only for the purpose of improving the ability of Bitdefender's products to detect malicious behavior. Bitdefender will not correlate these files with any personally

identifiable information. Such automatic submission function may be deactivated after installation by following the instructions in the Documentation for applicable products.

- Status information regarding installation and operation of the Software and Services. This information indicates to Bitdefender whether installation of the Software and Services was successfully completed as well as whether the Software and Services has encountered an error. The status information could contain personally identifiable information only if such information is included in the name of the file or folder encountered by the Software and Services at the time of installation or error. The status information is collected by Bitdefender for the purpose of evaluating and improving Bitdefender's product performance and installation success rate. This information will not be correlated with any personally identifiable information.
- Information contained in email messages that you send through the Software and Services to Bitdefender to report as spam or as incorrectly identified as spam. These email messages may contain personally identifiable information and will be sent to Bitdefender only with your permission, and will not be sent automatically. If you send such messages to Bitdefender, Bitdefender will use them only for the purpose of improving the detection ability of Bitdefender's antispam technology. Bitdefender will not correlate these files with any other personally identifiable information.
- Information contained in a report that You may choose to send through the Software and Services to Bitdefender when the Software and Services encounters a problem. The report includes information regarding the status of both the Software and Services and Your computer at the time that the Software and Services encountered the problem. The status information about Your device may include the system language, and the operating system version for Your device, as well as the processes running, their status and performance information, and data from files or folders that were open at the time the Software and Services encountered the problem. The information could contain personally identifiable information if such information is included in, or is a part of the name of the files or folders open at the time the Software and Services encountered the problem. This information will be sent to Bitdefender only with Your permission, and will not be sent automatically. The information is collected by Bitdefender for the purpose of correcting improving Bitdefender's product performance or statistic information. This information will not be correlated the encountered problem and with any personally identifiable information.
- The Internet Protocol (IP) address of the device on which the Software and Services is installed, as well as other general, statistical information used for license administration, product analysis, and for improving product functionality. This information will not be correlated with any personally identifiable information.

The collected information as set out above is necessary for the purpose of optimizing the functionality of Bitdefender's products and may be transferred to the Bitdefender Group in the United States or other countries that may have less protective data protection laws than the region in which You are situated (including the European Union), but Bitdefender has taken steps so that the collected information, if transferred, receives an adequate level of protection.

Bitdefender reserves the right to cooperate with any legal process and any law enforcement or other government inquiry related to your use of this Software and Services. This means that Bitdefender may provide documents and information relevant to a court subpoena or to a law enforcement or other government investigation. In order to promote awareness, detection and prevention of Internet security risks, Bitdefender may share certain information with research organizations and other security software vendors. Bitdefender may also use statistics derived from the information to track and publish reports on security risk trends. By using the Software and Services, You acknowledge and agree that Bitdefender may collect, transmit, store, disclose and analyze such information for these purposes. You declare that all the data that you provide will be true and accurate and undertakes to inform Bitdefender of any changes to said data. You have the right to object to the processing of any of his or her data which is not

essential for the execution of the agreement and to its use for any purpose other than the maintenance of the contractual relationship.

In the event that you provide the details of a third-party, Bitdefender shall not be held responsible for complying with the principles of information and consent, and it shall therefore be you that guarantees to have previously informed and obtained the consent of the owner of the data, with regards to communicating such data.

Bitdefender and its affiliates and partners will only send marketing information by e-mail or other electronic means to those users who have given their express consent to receiving communication concerning Bitdefender products or services or newsletters.

Bitdefender's privacy policy guarantees you the right to access, rectify, eliminate and object to the processing of data by notifying Bitdefender via e-mail at: legal@bitdefender.com.

In addition to Bitdefender Product registration information, Bitdefender must process and store certain information about Your network and equipment to provide Maintenance and related support services. To improve its products, Bitdefender may also upload information periodically from installed Software about product usage, detected malware or potentially unwanted files and use Service traffic to improve its data bases and heuristics. Bitdefender Product is not designed to capture or retain any personal or private information. You agree that Bitdefender may (i) use uploaded data from installed Software to improve products and services; (ii) share data that has been identified as malicious or unwanted content with affiliates and security partners; and (iii) use and disclose uploaded data for analysis or reporting purposes only if any such use, sharing or disclosure does not identify You or include any information that can be used to identify any individual person. Bitdefender reserves the title, ownership and all rights and interest to any intellectual property or work product resulting from its use and analysis of such information. By using the Bitdefender Product, you acknowledge and agree that Bitdefender may collect, disclose, store and analyze these information for the purposes above mentioned. You acknowledge that the Software may include some software programs that are licensed (or sublicensed) to the user under the GNU General Public License (GPL) or other similar Free Software licenses which, among other rights, permit the user to copy, modify and redistribute certain programs, or portions thereof, and have access to the source code. The GPL requires that for any software covered under the GPL, which is distributed to someone in an executable binary format, that the source code also be made available to those users. For any such software covered under the GPL, the source code is made available on download. If any Free Software licenses require that Bitdefender provide rights to use, copy or modify a Free Software program that are broader than the rights granted in this agreement, then such rights shall take precedence over the rights and restrictions herein.

GENERAL

This Agreement will be governed by the laws of Romania and by international copyright regulations and treaties. The exclusive jurisdiction and venue to adjudicate any dispute arising out of these License Terms shall be of the courts of Romania. Nothing in this License Agreement will diminish any rights You may have under existing consumer protection legislation or other applicable laws in Your jurisdiction that may not be waived by contract.

In the event of invalidity of any provision of this Agreement, the invalidity shall not affect the validity of the remaining portions of this Agreement.

This Agreement describes certain legal rights. You may have other rights under the laws of Your state or country. You may also have rights with respect to the party from whom You acquired the Bitdefender Product. This Agreement does not change Your rights or obligations under the laws of Your state or country if the laws of Your state or country do not permit it to do so

Bitdefender and Bitdefender logos are trademarks of BITDEFENDER. All other trademarks used in the product or in associated materials are the property of their respective owners. The license will terminate immediately without notice if you are in breach of any of its terms and conditions. You shall not be entitled to a refund from BITDEFENDER or any resellers of Bitdefender as a result of termination. The terms and conditions concerning confidentiality and restrictions on use shall remain in force even after any termination.

BITDEFENDER may revise these Terms at any time and the revised terms shall automatically apply to the corresponding versions of the Software distributed with the revised terms. If any part of these Terms is found void and unenforceable, it will not affect the validity of rest of the Terms, which shall remain valid and enforceable. In case of controversy or inconsistency between translations of these Terms to other languages, the English version issued by BITDEFENDER shall prevail.
