

# Bitdefender<sup>®</sup> FAMILY PACK 2015

World's best antivirus is now available as a family pack.

Bitdefender Family Pack 2015 uses the best antivirus technology to automatically protect an unlimited number of household PCs, Macs and Android devices. It also keeps your children safe from online predators by monitoring their Facebook activities, location and surfed webpages. And it even tracks, locks or wipes lost devices. All with no impact on performance or battery.

- ✓ Unlimited number of protected devices: Windows, Mac, Android.
- ✓ Privacy protection. Safe online banking and shopping. Parental Control.
- ✓ Award-winning technology. Fast, reliable and incredibly easy to use.
- ✓ No slowdowns or battery drain.
- ✓ Loss and theft protection. Location tracker.

## Best Protection Against Infections

(on a scale of 0 to 6 and 6 being the **highest protection**)  
[www.av-test.org](http://www.av-test.org)
